

SHEILA BROCK

Third Grade Teacher

Sheila serves as our third-grade teacher alongside Mrs. Lemon. She has worked as CCS off and on for 14 years. Her favorite Bible verse is Hebrews 10:35-37 because the text encourages us that our confidence and faith in God have a great reward. Something she enjoys about working at CCS is that it is a gift to be part of a God-centered workplace where the staff doesn't just work together but also loves, encourages, and supports one another. Something she wants families to know about her is that she loves to sing, dance, read, and learn. She also loves all things involving interior design.
