

JOE MORROW

Upper School Latin

Joe serves as the Upper School Latin teacher at CCS. He has worked in education for 9 years, and this is his fourth year at CCS. His favorite Bible verse is Isaiah 2: 1-5 because he loves the imagery of God's mountain as well as the theme of peace in Isaiah. Something he enjoys about working at CCS is his amazing co-workers. They encourage him both spiritually and academically. Something he would like families to know about him is that he enjoys rock climbing, hiking, reading, and board games.
