

TIFFANY MURPH

Grammar School Librarian

Tiffany serves as the Grammar School Librarian at CCS. She has worked in education for 24 years, and this is her fourteenth year at CCS. Her favorite Bible verse is Romans 1:16 because she is not ashamed to be a Christian and she does her best to live according to her faith every day, everywhere, so that others can see the light of Christ. Something she loves about working at CCS is the small atmosphere, family feel, and being in a place of Christian faith. Some things she wants families to know about her are that she is a reader, a movie buff, a mom of two boys, and married to her college sweetheart. She also enjoys historical trips, fall weather, and spending time with her family and friends.
