

EVEAN WATERS

Latin, Medieval Literature, Advanced Math, Calculus

Evan teaches several classes in Upper School at CCS.

This is his second year at CCS. His favorite Bible verse is Isaiah 2:22 because it reminds him that God alone is to be feared. Something he enjoys about working at CCS is that it allows him to keep learning in an intellectually rich and Christian environment. Something he would want families to know about him is that he enjoys reading and writing.
