

## CCS Dress Code 2025-2026 (7<sup>th</sup>-12<sup>th</sup>)

**Lands' End Preferred School Number: 900100140** (Please create a free account or be sure to update your existing account.)

\*For items not specifically listed as "Lands' End" on the chart, identical items matching in color, fabric, and style to our school's Lands' End Uniforms may be purchased at other vendors.

\*All uniforms must be clean, neat, well-fitting, and in good repair.

\*If students do not follow the dress code, they may be required to change it.

\*The parents are responsible for ensuring their student complies with the CCS dress code policy. Enforcement begins at home before the school day begins. If in doubt about the dress code, please ask the Administration.

\*When do I need a collared shirt? Any pullover item without a collar needs a polo shirt or Oxford under it. If it has a collar or is a complete button-up front (like a sweater), the essential T is fine to wear under it.
